Andreas' First Milk

Phil. 1:29 You have been given a grant, a privilege. You have been granted a privilege - it is a privilege. Not many people are granted the privilege to suffer for Him. Not many people in the world suffer for Him. When you suffer for Him, it is a privilege.

John 14:15,21 is the one who really loves Me. The one who really loves Me will be loved by My Father.

Faith comes by hearing. Last night after the sacrifice, Andreas was baptized. [*Andreas is our new 6 ft, 8 in (2,03 meter) tall German brother.*] He responded to the faith that came to him. He could not obey before faith came to him. He was able to identify in Messiah's death. It is a marvelous gift that the Holy Spirit was given to him. He made himself worthy of Messiah.

Matt. 10:38,39

Col. 1:10 with a fuller, deeper insight, more and more He will reveal Himself to you as you walk in a manner worthy of Him as you make yourself compatible to Him. He will frustrate you, discipline you until you go to the throne of grace to get grace. We cannot do anything apart from grace. He gave you [*Andreas*] grace yesterday to have faith. What you did yesterday was as good as if you would have buried your life. Don't ever dig it up again. We welcome you in our family. We would be nothing without you - you mean that we are worthy that our Father can add to us - that the Holy Spirit can be imparted through us. In the first church, after a while, people were added but not by the Holy Spirit - they believed in their mind only. They were dead. We would be nothing without you Andreas. But you being added to us means we are alive. We welcome you into our family. May you become the most wonderful disciple.

Last night we went to Spain. They just baptized a new disciple, Carlos. They have so much faith there. We lifted up our hands. We unanimously said, "Let us have a big house." They live up on the mountain in that little house. (The house is on the mountain overlooking the city.) It takes you half hour to go down the mountain and half hour to go back up, after which

you are totally exhausted. They want a house down in the civilization. We are going to start a tribe in Spain this weekend. They are going to break bread.

[Continuing to speak to Andreas:]

Matt. 7:21 Not everyone... It may be, 'not everyone in this room may enter the kingdom of heaven.'

2 Pet. 1:11 ...be welcomed into the kingdom. Yesterday you received divine nature. You joined yourself to Messiah. You became one Spirit with Him. 1 Cor. 6:17; 2 Pet. 3:4. For this very reason since you have become a partaker of the divine nature, adding these qualities to you. V. 5 - 7

V. 8 - 11 That is a real wonderful promise. That is the road of discipleship.

Matt. 7:21 We were saved to do His will. You could not have received faith unless you were willing to do His will. This is what separates you from all the other people in the world - you were willing to do His will.

John 9:39 The judgment is this — there are those who believe in Me and those who do not. He came as a separator - that is what the Greek says.

Our Father knew you were willing, that is why He drew you to His Son and gave you His Holy Spirit.

John 9:40,41

Matt. 7:21 Whenever you function without grace you are seeking your own glory or you are totally miserable in what you are doing.

V. 22,23,24 - everyone who hears these words - the words that I am speaking right now. We need to build our house on the rock. The rain is going to come regardless if it is on the rock or on the sand (V. 24 - 27 That is that false house that was built), and we will fall if we do not build our house on YAHSHUA.

Luke 6:39 Someone must have sight to lead a blind man to see. V. 40 We are going to be made like Him in every way - mentally, socially, emotionally, physically. V. 41 Don't go

Page 3

around looking at the speck in your brother's eye if you don't see the beam in your own eye. You have to be very careful or you might put his eye out if you can't see clearly. You have to be patient and forbearing. V. 42 - 44 A tree is known by its fruit. You don't know what the tree is like until it bears fruit. Otherwise it is just a tree. V. 45 You know what is in a person's heart by his mouth speaking. Matt. 12:32 - 37 goes into more detail. You will be judged by every word that comes out of your mouth.

Luke 6:46,47 who comes to Me to listen to my words to heed them.

V. 48 It takes 20 years for the foundation to be laid. If you don't find bedrock you keep going down until you find it. We can be totally assured that the house is going to be built once the foundation is laid. You won't build the house before the foundation is laid. V. 49 These are the words that we heard from the beginning. They went deeply into us.

John 15:5 We cannot build or do anything apart from YAHSHUA. The flesh profits nothing. If we try to do anything without faith, it is sin. We have to find Him every morning. I had to find Him this morning. If I would have come over here without grace, I would be a pretender. He wants to know that I know that.

Luke 12:49,50 You have to put Germany on fire, Andreas. Our Master said 'Oh that I wish I already would have spent three days and nights in death so I could give you Ruach ha Kodesh to start the fire in men's hearts.' You are part of the kindling - to get that fire going up there in Germany. Eat the word, Andreas. Eat His Body, drink His blood or you won't have any life in you. You have to come to Him and believe in Him.

A proud man is an abomination to God.

Devote yourself to Prov. 2:1 - 5. You have more understanding of the word of God than anybody else on the face of the earth - you have older brothers to guide and help you. It would be pride to try to understand the word of God without the anointing. Devote yourself to the word.
