Appropriate by Faith

Rev 6:10. The male child will be speaking with a loud voice in heaven about what is happening on the earth. Speak with a loud voice. Is 58. We need to speak with a loud voice, we're being made whole.

1 Pet 2:23-25. When He was reviled, He did not revile in return. What would we do if we were reviled? Do we need to be healed? When He suffered abuse from them He didn't threaten them in return. We are being made whole, we're being cured, mentally, physically, socially, emotionally. 1 Pet 2:23-25 comes from Isaiah 53:5, by His stripes we are healed.

We live by faith and appropriate these things by faith. All this psychological damage we received before we were in the body, do you think we should have to suffer for it now? Is this justice? Suffer for the bad food we ate? Suffer from no discipline from our parents?

Degradation was passed on to us. There is a lot of physical, spiritual, and psychological healing that needs to take place.

Is 53:5. This requires faith for us to be healed. If a person is sick, if they in faith call on the elders, the prayer of faith will heal the one who is sick. At least one of the elders has the gift of faith for healing. When John Abraham was dying he cried out in faith and we prayed in faith. It is possible to be healed mentally, socially, psychologically and emotionally. Maybe you have emotional problems so you pray to your Father for healing. If it's serious enough you call the elders. We are healed by His stripes, His wounds. Our Master wants us to be whole and well so we can do His will. Is 53:10. The offspring's days will be prolonged, a prolonged generation. Mt 24:34 is that generation. Their lives can and will be prolonged. It is not justice for these aspects of our lives to be so degraded.

If a person is sick they initiate the call to the elders. If they have faith it will be communicated to the elders and they can be healed unless there is some sin. In James 5, *sick* is ready to die. This is how we are to operate, if a person is sick, their life is threatened, they will die if they're not healed otherwise. If you're suffering you better pray, if you're sick then call for the elders. A sick person calls for the elders when they have faith. The elders have faith to pray and the prayer of faith heals a person.

We're a root out of dry ground. Eph 3:12. If you're suffering with these problems in the aspects of your personality then pray, not just praying about the physical problems but praying about all the things you're suffering with, all the different aspects. We have a healer, a Father. Pr 2. You can't just think a prayer, if you want wisdom get wisdom. We earnestly pray when we want all the things we need if you want to live this life in Yahshua. What if someone lacks all these things and never arrives at the knowledge of God, walking around not crying out as in Pr 2:1. We all must cry out for these things or we are a detrimental element in the Body, irregular people doing irregular things. We need to come to the proper fear and find the knowledge of God. This is what we must do to exist. Pray you can live and exist in the Body. Without this we are blind people stumbling along with our eyes not opened up. Some need a second touch so we don't see our brothers as a tree.

This is a good time to go to the throne to cry out for insight, understanding and wisdom. If you want wisdom it is getable, if you want wisdom you can get it. You want it because it is for His purpose. Do you want wisdom? You can be a wise person like Solomon. Ask to be the wisest man that ever lived if you are asking for the right reason. Do you ever ask for wisdom? The opportunity is right now.
