The Commonwealth of Israel

I know My own and my own know Me. We are the commonwealth of Israel, we have a wonderful story to tell. We are no longer separated, no longer alienated. The community is where He is celebrated. The community is where we are prepared for the next age. We are being prepared to run the earth in the next age. We are learning to run it like God wants it run. The community is the only place to prepare us to rule in the next age, making us fit and compatible with our Master. The commonwealth of Israel restores all things, it restores the disintegration of relationships. We are no longer without hope, separated, no longer disintergrated. All the parts are together, no part missing. You cannot be restored except in the community where we obey the Holy Spirit.

Hakam — We can celebrate the Sabbath. We can be prepared to rule in the next age.

Restoration has to come in every aspect of our lives. This cannot happen without us living together in community. We can celebrate the Sabbath because this is what we are living for, to rule in the next age, the Seventh day. This is why Satan tries to destroy all communities, even the Commonwealth of Israel. Mt 24:14. This is what we are being prepared to be. We will be raised up to expose, the light will break through everything and no one will be able to cover the light. This is why we live together and learn to rule so the light will go forth, why we stretch forth our withered condition so we will not hold back His will and purpose.

Yoneq — This is the very thing Aharon is speaking to the television, saying these things.

Everyone sees the fruit of our children. We need to pray our Father's will to be done.

Waco Paper

We are to know everything in it, if we don't know everything we are not seeking the Kingdom.

We are to give oral reports until we are taken up to be with our Master. Mt 12:37-39.

Concerning the social aspect of our personality, would we be fit for the Kingdom if this aspect isn't restored to the point we are able to get up and give a report? How are you going to answer the hope that is in you if you aren't prepared. Are we going to cram for the next age? Col 1:28.

We have to be complete, perfect, Grade A.

We are the Commonwealth of Israel, we have a wonderful story to tell.

Jer 30:20. The word is really community, edah or swarm. (Witness) We are a swarm. We are the restoration of all things, if we are not loving then we are hating.
