Contact and Communion

Apostles' teaching — 1 Ths 4:2; Rom 1:5; 2 Cor 13:10; 1 Cor 14:37-38.

The difference between disciples — some stay in *contact* with God, and some stay in *communion* with Him. *Contact* is to touch base with Him — not intimate communion. We can touch base with one another, and we can have *communion*. Love is affectionate. Love is to endure with kindness and patience to those who tax your patience. But God is love, so take hope.
