

January 24, 1994, Evening Sacrifice Sus House, Boston

Degradation

The sacrifices are where He meets with us and He speaks with us. Exodus 29:42 The only possibility of Him speaking to us is for one of us to speak. I Peter 4:11 If you hear something it is then your responsibility to shout it from the rooftop. The rooftop in the New Covenant is the morning and evening sacrifices. If you don't take on that responsibility then you have fallen away. Faith comes to us by hearing that we were purchased by Yahshua, and after we are baptized. Then as we continue along we hear and we have faith to live. We are restored, being saved, by faith. If you come here (Exodus 29:42) and don't hear anything we may as well go on somewhere else.

We are here to speak the truth, growing up in every aspect into the head. Malachi 3:16 Everyone who uses their vocal cords will be recorded in a book, that is how the body is built. This is also how we know who can feed others, know who are prophets, teachers, etc. This is the body principle. Ephesians 4:15 Whatever aspect you have fallen in you must grow up into Messiah in that aspect.

Acts 10:38 We are fallen socially, we are social degenerates, so we have our brothers and sisters to help us grow up and we have Ephesians 4:11 to accomplish v. 12,13,15. We were degraded from grade A to grade D. Our Master was grade A. We were degraded in the world and we must now be brought back to grade A. It is possible for us to be upgraded to grade A. Ephesians 4:1-3 Only when we obey v. 2 can we be restored to full sonship being made like Him in all our aspects, "in every aspect". Ephesians 4:15 To grow up into Him our personality, our human nature becomes like His in every way. II Corinthians 3:18 Where the Spirit of our Master is there is liberty. That is, if the Spirit is in our personality our fallen aspects are cured. Heal, Cure — is the actual reversing of a condition and it not only reverses the condition but also draws attention to the power and the glory of our Healer (Isaiah 53:5), whereby we submit even to a greater and greater degree until we are reversed all over through and through. I John 3:2,3; Luke 5:17; 6:19; 8:46,47; 9:42,43; Acts 9:34; 28:8; I Peter 2:24,25

In every particular aspect (Ephesians 4:15, NASB) we grow up into Him. There are physical aspects, but also there are mental aspects, social aspects, emotional aspects, spiritual aspects (Acts 10:38). An aspect is just one expression of our personality or human nature. This is the salvation of our soul. Or as in I Thessalonians 5:23; Colossians 1:23,28, the whole person — aspect by aspect — a process goes on — Acts 2:47 being saved — made whole — all aspects taken together, cured, restored. Every aspect. Spirit, Soul, Body, yielded to the Spirit in us who liberates our every particular spiritual, mental, social, emotional, physical aspects. The soul consisting of the will, the key to everything else the Spirit wants to do, beside save our spirit. I John 2:28; 4:17; II Corinthians 5:8-11; verse 11 is the outstanding verse as is Isaiah 66:2,5; Ephesians 5:21. I Thessalonians 5:23 — "Preserved" in v.23 means from loss or injury, not fully restored. Philippians 1:9-11; John 15:8 Like our love did not fully develop. I Corinthians 3:15-17 Acts 10:38 Oppressed in every aspect we are fallen, plus oppressed by the accuser. Look up the word oppressed and you will see just how fallen we really are. Acts 13:39

Acts 10:38 Healing (cure). All who were oppressed by the slanderer, liar, accuser. Oppressed meant they were like us in every particular mental, physical, spiritual, emotional and social aspect, subjugated to his spirits and were persecuted by unjust and tyrannical use of his illegitimate force (power) (I John 5:19; I John 3:6) or authority. 'Oppressed' meant to weigh heavily upon each aspect of our personality, especially to depress the mind or spirit. His intention was to overwhelm or crush us — as he did Yahshua — but this was done for us. Isaiah 53:7; I Peter 2:24

Isaiah 53:7,10,11; Isaiah 53:5,6 Gone astray — why, because of our mind, emotions, social behavior, mental problems, physical problems and spiritual inconsistencies to our created likeness of Him. Hebrews 5:7-9 Inconsistencies mean erratic and contradictory, illogical personality quirks in need of redemption and restoration. I Peter 1:18-22; Ephesians 4:1-3

There are social, mental and emotional aspects of our lives. You can see how we all have problems in these areas. He wants to restore us to be grade A just like our Master Yahshua. Spiritually and physically we have fallen and we are to be restored in this age. The New Social

Order is to have a clean conscience to be upgraded, without a good conscience you can't even look people in the eye, much less obey Ephesians 4:2. II Corinthians 4:2 We must renounce the hidden things so we can have a good conscience then we can be restored, no longer fallen. We must keep our garment clean. Revelation 3:4

The worst sin there is is intimidation, it holds the body back because you never help anyone. Intimidation is worse than physical murder. I John 3:15 If you are not loving then you are hating. Loving is kind, forbearing and patient. We all are many temperaments which came from our parents. Our children will be like the parents temperament if we don't head them off, "Bend their necks". We must be patient, bringing people along. Ephesians 4:1-3 is our calling. We must go and forebear with our brothers and sisters, even if their temperaments are different from ours — we forebear and be patient. It says all patience, all humility. Is that impossible? If it is impossible then there is no hope and we have a cruel taskmaster who gives commands without grace to do it.

Ephesians 4:3 The only way we can maintain unity and the bond of peace is to be absolutely humble, patient and as kind as Yahshua. Phillipians 2:5 We all are being grafted in to being His family. This is the plain truth, you can read all about it. Now we need to get down to the part of doing it, crying and begging Him for His strength and grace to do it. In Ephesians 3:12 (in Greek text it's 'in faith of Him', His faith, His name, His love) we have a right, freedom of speech. We can tell Him anything we want to, say what we want to say. We can tell Him how awful we are, what a failure we feel like, what we don't like about the community, anything we are going through. He will encourage you after, He could say something like, "Yes, I know you're that way, that's why I chose you." He knows how you are, tell Him, "I'm a miserable failure, I need your grace. I received accusations all day long." See how He encourages you, then we grow up to be just like His Son, Grade A. Our Master had more temptations than we did. This is our Savior. We have to tell Him these things, discuss them with Him. He loves us, He died for us. \*Be what you were created to be because He loves you. He desires to restore us.

Yonah — Our eyes are open to see the worth of Yahshua. Our Father chose us to reveal the glory of Him and His Son. When you see that you have to give your life to it, you forsake everything for that. We come to Him and worship Him.

Yoneq — He wants to give us His Spirit so it is possible to be like Him. The enemy wants to degrade us. We were degraded to the core in the world. He saved us so we could become Grade A. When man fell he was degraded. Romans 3:23 is the premise of degradation, that all have sinned and have fallen short of the glory (worthiness) of God. Grade B to D is the range for the everlasting nations. But He wants to bring us back to share in His glory. This takes suffering. Romans 8:17; II Timothy 2:12

ha-emeq — The word degeneration seems like a big word but it means to go down a lot of grades from grade A. We have hope because Yahshua came as the example of walking grade A. When we see Him we will be like Him. It's like getting grades in school, your parents thought your grades were you, how much you put into it. But Yahshua made it so we could go up in grades if we keep our mind on Him. We need to have grade A thoughts, not on earthly things, we need to think about Yahshua. Our Father wants us to have our minds on grade A thoughts. If we keep remembering what was said at the sacrifices then we can practice grade A thoughts. When we practice grade A thoughts, guess what? We are becoming just like our Master Yahshua. We are the ruling class. When you are away from this community and then come back you can really see the upgrade, the increased glory in people. Let a high thought dwell in your mind and see this is what we are called to, this gives us courage to go on. We need courage, not intimidation to go on. Grade A thoughts are simple and clear.

Out of the billions of sperm cells our Father had us in mind. His hand was in on us, we were chosen before the foundation of the earth. There was rejoicing in heaven when we were saved. There was rejoicing in heaven when we were conceived, "Look, a chosen one was conceived!" This is why we have the lost coin celebration when someone is saved. With only nine coins we can't pay the rent and we will be evicted. We have great worth. His glory is put back into us.

(We eat with chopsticks because we desire that He saves Yapheth.)

Remember, it is your responsibility to shout from the rooftop what is whispered in your ear. We shout not just in the sacrifices but also with letters. Letters are one place where we will love to "waste" money. Matthew 26:8,13 Now we can waste ourselves on His Body. Let yourself be known in other places, remember someday our Father will use you to go to other galaxies and when they see you it will be just like seeing the Father. How encouraged do you think they will be if they have never seen God and then you come to their planet? Yahshua asked Philip, "Do you not know that if you have seen Me, you have seen the Father?" If you want to be reconciled to the Father you must get inside Yahshua. John 14:7
