

## **Don't Jump to Conclusions to Quickly**

*We were singing, "Those who wait for Messiah will renew their strength..."*

Isa 40:21-31 — We have to wait for Him and not jump to conclusions to quick. Like in Naphtali they really raised the rent. When we got the *Segunda Eva* it was really run down. We put one year of labor into it and transformed it. We paid \$200 rent a month, which was a lot. But now the owner heard that the rich Americans are making a lot of money. He raised the rent to \$900. They can't pay that. They pleaded with him and he lowered it to \$500, which is still too much. Now they have to give it back. You almost could get exasperated by such things. But we need to remember that all things work out for good for those who are called according to His purpose. We need to give thanks always for all things. We need to pray for them. The economy there is so suppressed. We need to pray for the other tribes.

**Haggai:** Mt 6:33 — We pray for each other and we give to each other.
