The Healing of a Demoniac

Writhing in pain, anguish, agony to deliver a baby, is probably the worst pain you can ever have. We can't strive to produce the fruit of the Spirit, but we have to strive to be filled with the Spirit, then we will produce the fruit of the Spirit.

If you ever get strife, read Luke 8. It's about our Master when He dismissed those evil workings in that man, those spirits in that demoniac. He was so, so thankful for that. The people didn't know how to think about it and told Yahshua to go on. He got in a boat and left. The man was so thankful, he wanted to go with Him. "No, you go back, tell all the people the wonderful things God has done for you." That man took that as a commission and did it. He was such a wonderful person after he was delivered. He probably was there at Pentecost and then was one of the overcomers in the first church and endured till the end. I can't wait to see him.

We also can be influenced by evil spirits. We need to help each other to see this so we can be delivered and tell all the people of God's great deliverance.

I appreciate this man's devotion to our Master and our Master's marvelous power to deliver us. Sometimes I think, "Why couldn't he go with our Master?" but there was a greater purpose for his life.

The fruit of the flesh is obvious, it's from another spirit, not the Holy Spirit. We have to help people when we see that. They will be so happy and gladly receive us in their life. What kind of person would that be that doesn't want to be healed?

Kindness — being benevolent and good to people who tax your patience. That's the fruit of the Spirit. This causes us to be one as Yahshua and the Father are one. Let's give thanks for having these spirits cast out of our life.

Only those who have been delivered can give thanks.
