His Faith

Eph 3:12 (in the Greek) says "*in His faith*" — "*in Him and in the faith of Him.*"

**Hakam:** If you are in Him you have His faith. He gave it to us as a gift from Him. Because people have faith in different things, but the faith we have now came from Him and it won't fail — it did not come from human origin.

Faith comes *to* us; it comes by hearing. If you would go by your own faith, you might fall short. But it's *His* faith that comes to you. Nothing can hold us back from going to Him if it is in His faith that we can go (Eph 2:8).

Our Master devoted His whole life to His Father. Then He taught His disciples to be totally devoted to their Master, and when they are fully trained they will be just like their Master. Then we are to make disciples from all nations.

1 Cor 1:7 — We are waiting for revelation to come — not just for our Master to return, but for revelation. So we have to wait for that. WAIT.
