

How to Prepare for the Next Age

He has given us this day, the sixth day, so that we would be able to enter into the next age, the Shabbat. This is the day we have to hear His voice and get prepared for the next age. If this does not happen in this age it's going to be too late. We will stand at the door and knock if we are not prepared, and won't be allowed to go in.

2 Pet 1:4-11 lets us know what kinds of preparations have to be made in order for us to enter the next age. Otherwise we will be like a person who stands at the door and knocks, and will not be able to go in. Heb 4:11— We have to do everything to make preparation for the day when our Master Yahshua returns to make peace on the earth and have the nations beat their swords into plowshares.

It's going to be an honor to enter in. I am so thankful. It teaches us so much about the Shabbat. It's going to be so wonderful to enter into that next age that our Master has prepared for those who love Him.

Phil 1:9-10 — When our love is fully developed then He will come back.
