Immanuel

Nottingham, England

Yahshua — His name is His self-revelation to the world (Jn 5:43; 17:11-12), and *Immanuel* is the revelation in bodily form to the world (Isa 49:6), in twelve tribes, which will startle the nations. Elohim is with us, the twelve tribes. He is not with any less than an *us* who exhibit twelve complete tribes — a whole. The very presence of God is with *us*, not with the Jews; he was among them, but they rejected Him. He can only be with the whole complete nation, consisting of twelve tribes — His full Body on earth (Isa 43:12), the witness, the Edah (Mt 1:21), His people (verse 23) — God is with only them, the presence of God Himself fleshed out in the Body of Messiah on earth, manifested in twelve tribes, incarnate.
