Leap for Joy!

Obadiah Harris — I read 1 Tim 1:14-16 this morning and it really encouraged me. It gives everyone hope to be saved if Paul could be forgiven.

Verse 17 — This was Paul praising and worshipping after he thought of how he had been saved.

He almost leaped for joy that he was forgiven. We can leap for joy in our hearts that we have been forgiven.

Michael — He is preparing many dwelling places all over the earth where people can come and be saved. I'm thankful I'm part of a people that He dwells in.

2 Cor 12:9 — He chose weak people (not the strong) who cry out to Him because they can't do it on their own and who can become strong by His grace. He gives us the grace we need to walk in the works He has prepared for us.

We don't belong to this world — we are in enemy territory. Be a contrasting (different) society.

Be thankful to be chosen. I want to be thankful for everything He gives to us, and how He takes care of us.

Food is a precious thing. What a horrible thing it would be if we didn't have it (even water). It nourishes our bodies and provides the strength we need to make our bodies function for the day. Our Father provides the spiritual food we need too. Let's thank Him for speaking to us today. We want to be a thankful people.
