Living the Scriptures

Everyone who is of the truth hears His voice. He came into the world to bear witness to the truth. When we heard the gospel we knew it was the truth we were hearing. We were willing to do His will.

We have it! The scriptures. We have His word recorded, intact — we haven't lost it. It was recorded for us.

We are living the scriptures. We are going to suffer for Him. It is wonderful that we can do this.

We heard that Rosemary (from Rutland) lost her four children to her husband and he is persecuting us. Let's praise our Master when we hear things like this — He wants 12 tribes more than we do. Let's praise Him that we can suffer for Him. Mt 5:12 — Those who suffer will receive a great reward in heaven.

Satan is defeated, a loser, who will be bound for 1,000 years then thrown into the lake of fire forever. The name of Yahshua has condemned Him.
