

## **Must**

We *must* go through much tribulation. There is no way to get out of it (Acts 14:22). 1 Pet 4:13 — The greater the degree that you go through it, the greater the glory that you will have. Acts 14:22 says *must* — it is imperative; there is no way to get out of it. If we dodge tribulation, it keeps us from being developed.

We have to think on good things, don't we? Like Shedeur was sharing about his test the other day — but he went through it. It built his character. He didn't complain, "Oh, me! Poor single brother!" etc. It was really wonderful how he received this.

Don't think it's strange when these things come upon you in 1 Pet 4:13. You have to understand what's happening.
