

The New Sons of Jacob

Our Master went on our behalf and we go to our Father in Him.

Lk 12:49 — “I want to build a fire on the earth.” He knew that He Himself was the first sacrifice and then the rest would follow. The fire would grow intensively. The more people would sacrifice their lives, the greater the fire would be.

Lk 1:33 — The house of Jacob is twelve tribes. Jacob is a name given to twelve tribes. Israel is a completed whole. If we are not a part of twelve tribes we are not saved. There is no salvation outside the Body. The Body is Israel. To get that into Christianity is impossible except for those who are willing to do His will.

Rev 21:9,12 talks about the wife that is compatible to the Lamb. He was the sacrificial Lamb.

[We explained that to Luis when we were down in Malaga (Spain). Luis was baptized 10 years ago along with Ahavah Shua, Ben Jesed, and Shimini Yom. He lives down there with three women and thinks he is doing something. He claims to have received the Holy Spirit 13 years ago. When we came and baptized him, he didn't receive anything new, anything different. He obviously didn't receive the same Spirit we did. He said that the "Lord" is his shepherd. He didn't know that when he said "Lord" he was talking about another god.]

Israel is the name given to twelve tribes. It cannot be any more or any less. In Rev 7 it shows twelve specific tribes. [Luis thought when we showed that to him that he had been from Dan. Well, Dan is cursed in this age. He is a snake in the way. He causes the rider to be thrown off the horse. Manasseh takes Dan's place in this age. Dan will be restored in the next age.]

If we are not headed to establish the twelve tribes we are under a delusion. That is why everyone who has the Spirit prays for the establishment of the twelve tribes. We are not even born yet. The day is going to come when we will be born (in one day). Then that will be the witness. And then Yapheth will come in. They will come into the tents of Shem. It just happened to be that our Master was from Shem. We have to have a mature body. Christians

think it is just a spiritual body, no fleshly manifestation. If we think that we are not saved yet. If we think that, then Yahshua didn't even come in the flesh. The unity He talked about is observable. That is what will startle the world when there is no division in the body of Messiah.

Ps 24:3 — I was reading and I asked a question. It is really a valid question. Who may ascend into the hill of YHWH? And who may stand in His holy place? Every person who possesses the Spirit of Elohim?

Our Master ascended to heaven after He rose. After 40 days He ascended to His Father in heaven. He descended to the lower parts of the earth and He ascended to heaven. Who may ascend to the hill or mountain of YHWH. Where you see the word *God* in the Bible, it's a mistake. The word *LORD* is YHWH. It's been put in by people who took his name out of the Bible.

The high priest could not stand in the holy place unless he was perfectly forgiven. He searched himself so much. He sacrificed the most blameless, spotless lamb that he knew before he stood before YHWH on the Day of Atonement. But 1 Cor 4:4 — he still put a chain around his leg and also had bells. So when the bells stopped the people would say, “Hey, hey are you still okay.”

Our past sins are forgiven but our present sins have to be forgiven and covered. Every time we sin we put a greater suffering on our Master 2000 years ago (2 Cor 5:21; Isa 53). He took our guilt upon Him. If I sin in the future that means I am guilty. There is a weight on me. When I confess it, it is put on Him 2000 years ago. That means I put more guilt on Him 2000 years ago. I exposed Him more to public shame. And then He went to death. He obviously had to experience the pain that I would have suffered for. If we don't understand that, we don't understand the sin and the guilt that He had to pay for us. Heb 2:14; Acts 2:24 — He went *through* the agony of death. The agony of death was something He had to go through. Once He paid the price, death could not hold Him anymore.

If you have received the Holy Spirit and you walk around and doubt, you put more guilt on our Master. You are actually denying the Holy Spirit. How can you thank and praise Yahshua without the Spirit? (1 Cor 12:2-3).

You thank Him, love Him, say He is your Sovereign, and then the day comes and you say I don't have the Holy Spirit. So what have you been doing all along? That's why you were saved. Rom 8:14 — It just grieves the Spirit when you do that. Don't come around and say you don't have the Holy Spirit after you have been praising Yahshua all along. Don't be misled by an evil spirit. Now if you've been a hypocrite all along you deserve the lake of fire. Our Master hated the Pharisees. They were despicable, abominable. Don't say anything unless it's true. Don't be a hypocrite.

Who is going to go up on that high mountain? Who will be a part of it? 1 Jn 5:21 — Obviously it's those who have no idolatry in their lives. Anything you would sacrifice your fellowship with your God for is an idol. That's idolatry. You have to sacrifice your fellowship with the true God in order to have fellowship with an idol. Don't eat at two tables and drink out of two cups. You can't praise and sin at the same time. You can't praise and hate your brother. You can't have thanksgiving coming out of your mouth and not getting along with your wife, not liking your children. If you can do this then you are a hypocrite. Yahshua is not Yahshua to you. You can do that with Jesus. People praise Jesus more than we do Yahshua, but their life is a wreck. They love the things of the world. They love God and they love country and rock music and movie stars. They love being recognized by the world. Obviously they don't have the right God. We lift our soul up to Him. Our soul is our emotions, our mental capacities, our will, everything about us. If we lift our soul up to anything besides Him, we've sworn deceitfully.

Ps 24:6 — This is Jacob, the generation, the twelve tribes, the house.

Ps 14:7 — This is Jacob. That's who we are. Ps 15 — We are the new sons of Jacob. Someone asked us that three years ago at a wedding. Then they put a big thing about that in the newspaper. I like that — that we are the new sons of Jacob. Have the twelve tribes existed since the first century? Our Father is not going to save anybody unless they are building up the twelve

tribes, unless they have that revelation and understanding. Our Master didn't come to destroy the prophets, but to fulfill it. Isaiah 49 has not been fulfilled yet. The light is the fire. The only concept they had back then about light was a fire. We are the light, the fire. Our Master said He was going to build a fire to expose those who love Me and those who don't love Me. You will see the whole world divided, even in families and amongst relatives.

When they bless you they bless Him. When they reject you they reject Him. That is who we are — an illuminating light. When people stand before God they are already judged for rejecting the light, for rejecting those who are the light. Jn 3:19 — Judgment is based on the light. Light exposes darkness but people hang on to darkness for fear that their deeds will be exposed. That's why there has to be a great light. This light is a sacrificial life. The more we put on the fire, the greater the light gets. You cannot get out of it unless you leave. You have to face it every morning and evening. It is going to expose everything. All the hypocrites will leave; only the real people will stay. They will ascend. Dan 2:44 — That mountain will fill the whole earth in the next age, not in this age.

In this age the light will fill the whole earth. Dan 2:44 — That's where the rulers of the universe will come from. We are just the first fruits. We are bringing it about. If it is possible trillions will be saved. The world is hardly habitable now. In the eighth day all planets will be made habitable for man. There are 6 billion people right now. In the next age there will be billions. There will be no North and South Pole. The great earthquake will shake down the mountains. Everyone will be sitting under his vine and fig tree. We will be teaching billions or millions. You will rule over ten or however many cities. Then at the end of the age there is going to be a division. They hypocrites will follow Satan. Rev 20:3,7,10 — Millions will follow him. Our Father will not allow any of this to go into the new age. At the end of the age our Father is going to do something. Satan will be released in a certain way. Mt 24:10 — People will turn against each other. All the hypocrites will leave.

Let's give our sacrifice this morning. Let's tell Yahshua He is our Sovereign. That's the vow we made. What does it say in Ps 24 about the vow? We can only say it by the Holy Spirit.

That's what we say when we stand here. We say, "Yahshua you are my Sovereign. I want to build up your kingdom, your twelve tribes. I want to lift up my soul to you. I want to listen to you and not to idols." That's why we have the morning and evening sacrifices and it sets our day.
