Overcoming 2

If you endure with the suffering you will be saved. We're called to be brave against our enemies. Yahshua came to give us power over them. Matthew 1:21. He came to save His people from everything that causes them to be less than Grade A. Anything other than Grade A is sin. We have to have rule over the degrading things in our lives. He has faith for us, He will save us from these crippling defects. He chose us to save and restore us. We are in the hospital, don't jump off the operating table in the middle of the delicate operation. Revelation 2:26. If we overcome all these things we will be fit to rule the nations, we overcome all the things that have to be surmounted. Our Father wants us to be a great statesman in the next age. What is a statesman? If we live an overcoming life our love will always wax, our love getting hotter. Satan's chief job is to alienate and separate us with His accusations. Our Master's job is to unite us. 1 John 3:8; Ephesians 2,3,16. Any separation negates unity. We have to overcome thinking strange things about our brothers and sisters. Satan is an expert at schemes and devices. We overcome three ways — blood of the Lamb, word of our testimony and not loving our lives unto death. We're friends, we don't have to doubt, we are each others friends. We have that relationship, it's a covenant. So this settles it, we don't ever have to receive accusations again. We can overcome them. If we overcome we will be a statesman, His spokesman in the next age.

Yael Ethan — When we have an accusation come to us we can overcome by calling out, "Yahshua save me!"

Yoneq — The hard working men are noticed and appreciated. Our Father notices and appreciates them and their work.

Don't neglect our new brother Christopher, he needs milk.
