The Prophets Must Speak

Shalom Racham and Keli,

I would like to share some things with you from our last Round Table discussion, our Renaissance meeting. Also some other things that are speaking to my heart, and being whispered in my ear.

A Tablespoon of Cold Water

Ha-Emeq spoke about something that Yoneq discovered. Yoneq was preparing a pot of mate. While doing this Yoneq watched the liquid as it came to a boil and started rising up. At first the water gets all excited, until it goes into a frenzy, then it boils and rises up and up, bubbling near to flowing over. Then Yoneq dropped in a tablespoon of cold water and it stopped rising, but rather, it immediately descended. There was this pot of hot, bubbling mate, in an excited frenzy, boiling almost over, and a mere tablespoon of cold water, stopped it, causing it to draw back and calm down.

But! After about 20 seconds, it was even hotter still and boiling, bubbling up, and rising quickly to the edge of the pot, close to overflowing. And PLOP! Yoneq dropped in another tablespoon of cold water and down it went. Yet not as much as before, because in about 15 seconds it was bubbling again, boiling. So Yoneq dropped in another tablespoon of cold water, trying to deter it from flowing over. BUT! In 10 seconds it was boiling again, determined to overflow. Soon, he had to put in water more and more quickly until a tablespoon of cold water couldn't stop it, because so intense was the heat, that even the vapor would scald you. The tablespoons were soon engulfed by the boiling mass. It was a contagious effect.

Now in order to hold it back, to hold back that excitedly frenzied water, since it was so intensely hot, Yoneq needed to put in a cupful of cold water to stop it from boiling over. Now once he put in a cup of cold water, it took the longest time for it to boil again; it was a struggle, the water was a deterrent, a suppressing effect. Now after a long time of struggling; it came back to the boil.

Then he put in a few cupfuls and puh! It just doesn't seem to boil anymore. There's no longer any threat of it boiling over and going everywhere. It becomes, TEMPERATE, not any longer extremely hot or extremely cold; its bearable, restricted, contained.

It's tepid, lacking enthusiasm or liveliness; it's no longer vibrant; it's unvivacious. Our Father hates things like that, Rev 3:16.

Sulking

I really see that when I sulk, get touchy, irritable, get aggravated, when it becomes hard for people to be around me, due to my unpredictability, when people find themselves in a precarious, risky position it is due to my changed disposition, which is then no longer one of

salvation. For brothers and sisters are not being able to know when or why I'd flare up or just sulk. It's like a bucketful of cold water poured on that boiling pot, in our case the Edah — 1 Thes 5:19.

Yoneq says ESPECIALLY when elders or shepherds SULK, it's like buckets full of ice cold water, when they're in that condition.

Our Father wants people too raise and be zealous, boiling like that original pot, not passive and dampening, quenching like 1 Thes 5:19, like the cup of cold water. We need another Renaissance. There's a fair chance, there's hope that this renaissance, US, will be able to make it to the top (Especially here in England).

One drop you can stand, get over, deal with, BUT! Cupfuls and you can't get back to the boil. For over 1,900 years, there's been many cupfuls, buckets full, of cold water poured on the original Edah. And it's dead. But Now! Does it have to continue in this state of Rev 3:16? No.

There Has to be a Restoration

There has to be a restoration:

Isaiah 9:2, Is 60:1-3, IS 42:6 — Prophecy; Is 49:6 — This needs to be spoken into existence. Mal 2:4; Luke 1:76-79. That is the New Dawn, the Renaissance.

Rev 7 and Is 49:6 — The 12 tribes needs to be raised up. Restoration has to come. Acts 26:7 — The Edah fell away from this evidence of the 12 tribes in the which existed in the Old Covenant, and were to exist in the New Covenant. The final evidence will be Rev 7.

How is it going to come about? Someone needs to say, "Hey! Listen!" and speak Is 49:6 into existence. A prophet. Someone has to say we are it. Everything has to be spoken into existence. This is how Rev 7 will come about.

Upon hearing these things shared I was so encouraged, and also to hear there is no excuse. Not even the flesh is an excuse, because we can crucify the flesh (1 John 3:8; Heb 10:13).

Satan's Accusations

I was also seeing how just now, at this moment, everything, ABSOLUTELY EVERYTHING IS AGAINST US making it. Everything is against the 12 tribes being raised up. Satan is MAD! He's furious about what is going on, He's actually terrified.

He's saying, "Who do you think you are, how dare you believe you have worth, how dare you crucify the flesh? Do you really think you are going to stop me, with all your failures and shortcomings, you're introspective ways, your sulking."

"This is my turf," he says, "The earth, the world is my dominion, my domain. I'm in control here, I call the shots. I'm doing the deals. I've been here over 6,000 years and you, YOU! YOU SAY YOU'RE CHOSEN PEOPLE WHO ARE GOING TO PUT AN END TO ME? HAH! NO WAY!" He saying.

Satan is before the throne night and day accusing the brothers, accusing our Father, that He has made a mistake.

"Look," he says, "Yochannan Bekor is sulking again, look! He hasn't repented and confessed he's into it. He likes it! Look, he's totally into worthlessness, look at him and look at her over there, look, look at that!

"DON'T YOU SEE THAT?" He says.

Our Advocate

BUT! We have an advocate, We can change. I can change, there is hope, it doesn't have to be that way. I can seek repentance, seek mercy. And our Master YAHSHUA gives it when I humble myself and truly confess the details of my sin, and repent.

Then our Master, YAHSHUA HA MASHIACH, makes it very clear that Satan is wrong. Our Master can tell him straight! "Look!" He says, "They're confessing their sins, they are truly repenting. Yochannan Bekor does want to change, he wants to be a true son, he is repenting. They all want to change. They are being washed clean of their sins — by MY BLOOD. They want to be filled with the Holy Spirit.

"Look! I YAHSHUA died for them and I'm raising up a people, a 12 TRIBED NATION, MY BRIDE, MY RESIDENCE, AND SATAN, YOUR TIME IS SHORT!"

The Hourglass

Our Father has an hour glass in His Hand, He's picking it up for the last time. He's almost ready to turn it for the last time. He's almost ready to turn it up. And He's making it really clear that He's had enough AND! He wants us to make it clear that we've had enough of Satan's ploys.¹ Enough is enough. Let's be real.

He's got it in His hand. 12 tribes are being raised up, this is it. The last time, and once those 12 tribes are raised up, BANG! The hour glass is turned over. The race will have begun. Satan's times will be short.

Satan is so desperate to stop us. He's attacking us, arousing us, looking for an inroad in our lives, tempting us in every way. He's going to cause the world to hate us.

He's used Christianity for over 1,900 years to the point, it makes people say they fell sick to hear about God, to hear the gospel. Satan makes people hate religion. Then he tries to make us "FEEL" religious. Every which way, he is attacking us.

An example I see is people are thrilled when they meet us, they're excited to get a Freepaper, they are amazed by our life when they hear about it. Then its, "Oh wait, did you say you are into God and the Bible?" And they walk off.

¹Synonyms for *ploy* are *ruise, guile, antic, deception, hoax, subterfuge, wile, cheat, artifice, fraud, trick.*

IT'S GOT TO STOP! The prophets have to speak, the evangelists need to use every opportunity. We ALL need to use every opportunity. That nation must be raised up. We have to endure and suffer the reproach of EVERY SECT, CULT, DENOMINATION, RELIGION, AND CHRISTIAN DOCTRINE THAT HAS EVER EXISTED.

But! The sheep will hear. And we won't go down in silence — Ps 115:17 — by our Father's grace. We're alive, we're not dead.

This is what I'm seeing and experiencing since I've been in England. I don't want to be part of anything that goes against our Father's purpose. ENGLAND IS DOING A WORK IN MY LIFE, I'M THANKFUL.

Yochannan Bekor
