Silencing the Accusing Voice

Mark 11:25. When you stand praying and have something against someone, forgive and drop it. This is not the same sin as in Mt 18:15. Mt 5:23. When something is on your conscience you leave the sacrifice and make it straight. Mark 11:25. Have some self doubt, remember this is not speaking of an obvious sin as in Mt 18:15. Gal 6:1 When someone falls into a sin of weakness not a deliberate sin you who are spiritual gently restore them.

Mark 11:25. If they haven't come to you they probably didn't know they did anything. So give them the benefit of the doubt by forgiving them. Don't be so touchy, forgive them, maybe you misinterpreted them. A thousand things could happen in a day. We forbear and forgive and overlook with our brothers and sisters. Mt 5:23 is something you did, Mark 11:25 is something someone did to you. This is a spiritual thing to understand. We need to hear this over and over, we need repetitious teachers in the Body. We need to understand these things. Matthew 18:18 This is the type of sin that cuts a person off.

Rev 20:1-4. Our job of submission, making that link in the chain with no breaks in it. This silences the accusing voice. When all our Master's enemies are under His feet our Father will know we depended on Him, wanting to be more and more like His Son. This is what man is supposed to be like, this is our prayer for grace, love and to crucify our flesh. Pray for grace to come to us.

Rev 20:1-6. In verse 3 He wouldn't allow the nations to be deceived for a thousand years. This is not us, for we are not the nations, but in this age we can still be deceived by the enemy. We are not unaware of the enemies schemes and strategies to bring us down, degrading us and causing us to do degrading acts and passions.

GRADE A takes correction and rebuke. If you can't take correction and rebuke you won't attain to what we're called to.

Rev 20:1-7. Satan will be locked up for a thousand years so we can rule the earth, speaking and teaching the nations everything about Yahshua. When the thousand years are

completed, Satan will be released. Satan will deceive as many as the sands of the sea after we have taught them for a thousand years. People will living everywhere on the earth, there will be no ice caps or Siberia etc. We will tell the nations they have to have a deep commitment to Yahshua, not having a superficial relationship. He will test them, when Satan is released, who really has eternal life. We are the first fruits of those who are to be saved in the next age. Obviously, those people who are deceived were without inner commitment to the Sovereign's sovereignty. There are people here who will be cast out, not having a deep inner commitment to Yahshua, indifferent to Him.

Mt 24:10-12 is to the Edah, maybe one of us will fall away and deliver one another up. Our own brother will turn and betray us like Judas, they will turn in their parents and children. It will be terrible when it comes down to this. We will be the last people standing against the anti-christ. Let's not let that indifference be in us, not praying and begging for grace to be upon us, the power of His Spirit so we won't betray like this. Eph 6:10-15. If we aren't training our children properly your grandchild may betray you and turn you in.

1 Cor 5:8. A little leaven spoils the whole lump. The first Edah was leavened and grew into a massive, puffed up loaf. We need to be tight and together. We need salt to kill leaven and corruption. We must suffer to kill germs. Salt and germs can't exist together, they cannot co-exist. If the ocean wasn't salt water what do you think it would be like? Our Father is pretty smart. Let's be salt.

1 Cor 6:17. If you join yourself to Yahshua you are one spirit with Him. This is a deep inner commitment, this is communion. Therefore we are ready for that day. When attacks come you have your armor on. When an attack comes to your head you have your helmet on. We are to be ready for those fiery darts. We forebear with one another. Every day we put on Messiah, put on love. He is our armor. Let's not be those who turn against the Body, let's not be deceived. Satan will come to deceive to get everyone out of the Body who doesn't have that deep inner commitment and those who are indifferent.

This is what our Father wants us to realize. Yahshua didn't point out to Judas that he was going to betray Him but He gave him opportunity after opportunity to see his condition. This is how He is with us. Ex 29:42. We come here everyday so He can speak to us. Psalms says we wake up in the night and He speaks to us. Then we can bring something to the sacrifice, something He showed us from the past sacrifices or teachings.

Eph 4:15. Speak to one another in love and we will grow up in every aspect into the head, socially, spiritually, emotionally, mentally and physically. These aspects cover your personality. John 10:17. Our Father loves me because I am willing to do His will, no one makes me but I do it willingly. I willingly lay my life down. Our children are disciplined and trained until they are twelve to fourteen. Then when they are trained we speak and reason with them. He is like that with us, He must do things to us before He can say, "Come and reason with us."

ha-emeq — I woke up mad because this germ had got me. Man wasn't created to be sick but God put this thing in us, a miracle, to fight these germs. It is a big war until the germ is conquered. This is the immune system. In these end times He is taking the immune system away from man, the very thing He gave man after the fall. He gave this to man to fight the sicknesses we're not supposed to get. It is a spiritual thing: you are doing good then all of a sudden you are caught. This is why we need to be on guard all the time, there is a war going on. Put on your armor. We are in a war all day long. It is invisible but it affects you . Even though the germ is invisible you can see the outward sign of it in someone else and then it gets you. In Yahshua we have an immune system to fight against the enemy, take advantage of this immune system.

We have a parallel, food is to be chewed and digested in the Body. So we must do this to what we hear to get everything out of what we hear. Like with food that has laetril in it, it has to be eaten properly, chewed raw, not cooked. So it is with the Body and our daily bread, we get it and it must be digested in the Body, assimilated. We must understand the digestive system, the concept of it, to know what spiritual food is for. We need to teach concepts, conceptual learning. Without this conceptual development we will become very shallow people. This is how and what

we teach our children. Does everyone understand the parallel and concept between the food we eat and spiritual food? Each one of us are parts of the digestive system. Let's give our bodies so all day we can digest and assimilate. Give us this day our daily bread, this is spiritual food.

Hakam prayed — Thank You that we are in a living Body. Thank You that You feed us with spiritual food. We want to digest this food in us so that we can give out the nourishment we have received to others. We want to chew this food and release all the energizers so that Your Body can be built up to be strong and able to stand against every attack. Let the food in us make the immune system strong that we can grow into the stature You want us to have. Increase our concept of Your Body, open our eyes to see how important what we receive from You is for building up your Body.

Yonah — When our Master fed the multitudes, the disciples didn't think they could feed the people. They said it would take eight months' wages. When He saw the boy's basket He said, "Oh, something I can work with." It is that way with us, He finally has something He can work with. He has faith. All He has to have is some people to work with. We need to come alive, like Nachshone, we had to have our heart pumped for a long time — now it's time to come alive.

Amacyah — This is something that impresses you. Our Master wasn't divided from His Father because He cried out with loud cries. If we cry out we will have that unity and the chain in Rev 20 won't be broken. When we wake up in the morning we turn to Him.
