

7 May 1989, First Day Teaching Sus, France

Stone 1

There are three kinds of people on the earth: 1) those who help Israel; 2) those who do not help Israel; and 3) those who *ARE* Israel — disciples. Two kinds of people will inherit a kingdom: 1) those who live by their conscience will inherit a kingdom — the nations; and 2) Disciples will inherit YAHSHUA's kingdom. Both of these are the eternal kingdom. It says in Mt 25:34 that the nations (Gentiles) will inherit the kingdom prepared for them from the foundation of the world. [And they will walk by our light. It is what you show the nations, what is in you that comes forth from you, that leads and teaches the nations. The nations have the light of OUR life now and forever and ever. Rev 21:24.] There is a kingdom prepared for saints who are chosen in YAHSHUA before the foundation of the world, also.

Dan 2:34 — There is a people being *hewn from a mountain*. HEWN — formed, fashioned, made, brought into being, cut out with a chisel. Hewing is deliberately cutting out; it is a difficult job done with the patience of the Holy Spirit and our Father cutting each one of us out from that mountain of the world. Hewing, shaping, forming, creating, bringing into being is something the Holy Spirit is doing through the holy angels according to Heb 1:14. Most of us are the fruit of the work of the holy angels who were keeping our heart and our mind in a place where we would be open to receive and then creating the circumstances to put us in a place *to* receive the sent one's message. He cut us out of that mountain and is forming us into the choice select stone that we are. To hew is to cut out with a chisel — He had to chisel some of us out — we were stuck. He had to cut this way and that to create circumstances (helped by the angels since angels give help to the seed of Abraham) to get us out.

The stone in Dan 2:34 is a fifth kingdom. The first four are:

Babylonian — the head [gold];

Persian — the chest and arms [silver];

Grecian — the belly and thighs [bronze];

Roman — the legs [iron]. Then in 364 AD the Roman Empire broke up in two parts, making a divided kingdom represented by the two legs (as opposed to the one trunk or chest or head), being the eastern Greek Orthodox and the western, papal, Roman Catholic church.

the feet and toes [partly of iron and partly clay];

The fifth kingdom will control the world in the next age and the age after. This fifth and final kingdom will last forever and ever. It carries over like a scion into the next age and then again into the age after that. It is the last and final kingdom. There are no more kingdoms after that. Dan 2:44 — We have been chosen to have a part in that kingdom. The fifth kingdom is different from the other four which are physical kingdoms. The fifth kingdom is a spiritual kingdom. It expresses mostly what we are drawn by: LOVE, by His Holy Spirit. It is a kingdom

of love. It is when His character is revealed to us, when we see YAHSHUA and our Father's love, that there is a basis for our salvation. We have to see, feel, and sense His love in what He did on the cross to save us. We were saved by people loving us, not hating us or condemning us. Love overpowers all forces of evil even all worldly kingdoms. It brings an end to world history. That stone brings world history to an end.

1 Cor 10:11 talks about a people who profit by the scriptures which are written down for the benefit of those who would be hewn from that mountain, for those whom the end of the ages will come upon. 1 Cor 15:24 says that our Master is going to bring all other rule, authority, and power to an end. There will be no more governments, authorities, kingdoms, no more mountains except His holy mountain and kingdom. The stone is His kingdom.

Dan 2:44-45 — "In the days of those kings" a stone is cut out of a mountain. This stone is a kingdom. In the time of those kings, WHILE those kings are living, DURING THE LIFETIME of those kings, our Father will start cutting out a stone out of that mountain.

The making of this stone was not a long process. It says in Rom 9:28 that it will be a quick and thorough work done in the last days, not a long process. This dream was dreamt 2,500 years ago and it was said that the dream is true and the interpretation is trustworthy and sure. Since Christianity has been in existence almost 2000 years (Catholic) and 500 years (Protestant), they are discounted as that stone because the stone is to be formed DURING THE LIFETIME OF THOSE TEN KINGS. The stone is to be formed at the same time as the toes are forming. The toes weren't formed when the Roman Empire split. The Roman Catholic church will have already been in existence at the end of the age, during the time when the toes are forming, for the reality of the toes has not come about yet. Thus we can see that the stone is not Christianity or the ecumenical movement of Christianity.

The Roman Empire, the church, split and the Roman Catholic and the Greek Orthodox controlled everything. It seems that since the toes will be made up partially out of the same material [iron] as the legs, that those ten kings will have the same domain as the Roman Empire Europe. Everybody has been trying to revive the Roman Empire, i.e. Napoleon, etc. They have been trying to revive that kind of empire in the same territory.

It is not Christianity that is the stone that smashes the toes on the feet because they were in existence before the feet came about. IN THE DAYS OF THOSE TEN KINGS a stone will be hewn out from a mountain and the God of heaven will set up a kingdom that will never be destroyed. The stone became a great mountain. We might not look like this now, as we look more like a pebble than a great mountain, but the more He hews out, the greater that stone will be. He will make us stick together as a body and that mountain will fill the whole earth. Dan 2:35 — In the next age, the millennial age, we will go out into the whole earth ruling with Messiah as that kingdom. We will fill the whole earth.

This fifth kingdom will raise up at the very last moment in history. It will not have come down through history. There has not been a demonstration of a kingdom down through history. Christianity is a false light to the world because it is not YAHSHUA's light, the true light to the nations. Rev 18:23; 19:2,3; 20:3.

This fifth kingdom is a movement, a movement of holy angels (Rom 9:29), of the Holy Spirit, of our God, for it says that the God of heaven will set up a kingdom. It is a movement of the Holy Spirit within the hearts of the people gathered from the nations to be as a light to the nations. It will be a light to the world, burning intensely, deep into the heart and soul of every person who lives, so that when they see us or hear us (wherever we go — wherever the twelve tribes are or go out to), it will expose the wickedness and perversion of this last generation. There has never been a generation as wicked as these last generations.

The toes will be crushed by the stone, crumbling all other kingdoms. Then YAHSHUA's kingdom can be set up in the next age and fill the earth and go on into the eternal age. The time of destruction of all other government and authorities (1 Cor 15:24) is not before the formation of the toes. Those ten kings will rule the world for a very short time. [The two legs were not formed until 364 AD.] The ten toes have not yet developed to maturity. The European Economic Community (EEC) could be those ten kings. It will boil down to ten states, nations, toes. The toes have to be fully developed.

The stone is the restored, fully developed Body of Messiah, the twelve-tribed Israel which has returned from all the nations, perfected in unity. It convicts the world of three things: 1) sin/unbelief; 2) the absolute righteousness and impeccable sinlessness of our Master; and 3) the judgment of Satan that is eminent and coming shortly (Jn 16:8-11). The Holy Spirit will convince the world of those three things. The work of the Holy Spirit in the Body is to bring demonstration to the world's unbelief, to the righteousness of YAHSHUA and to the judgment of Satan.

Satan's work is to accuse and divide. Our Master came to undo his work. Not until we are perfected in unity can the world see and believe that Satan is JUDGED and waiting to be executed. The Holy Spirit will bring demonstration to the world's sin and convict people through the life and the words that come from the mouths of those in the body, which DEMONSTRATE that Satan was defeated 2000 years ago, that Messiah is righteous since He rose from the dead, and that He ascended to heaven and sent His Holy Spirit to form the Body which is perfected in unity, and this judges the whole world.

Right now, the world does not believe that YHWH sent His son. To believe means to trust in, rely upon, to lean your entire personality upon that fact. It has nothing to do with merely intellectual belief. First the heart has to be cut by the Word of the Holy Spirit. When a person is cut to the heart, he trembles, and then he can receive the hope that salvation can come to him.

The world will see and believe that the Father sent the Son and THEN they will be judged. Those who believe and obey will be rescued (hundreds of thousands will be saved). Those who reject it will be righteously destroyed.

That rock (Dan 2:34) is Messiah. It is His fully-developed corporate body (1 Cor 12:12). The body which we have is only a TYPE of the Body of Messiah. The reason we have our body is to know what His Body is like. It has many members and one head, all in coordination. That is the unity of the elect. [If anyone is out of coordination, he is not connected to the head.] Isa 53:10,11 says that our Master saw His seed and His soul was satisfied.

Our Master asked the chief priests (who parallel the religious system of this day) "Have you never read in the scripture?" (Mt 21:42), knowing that they were the most *learned* in the scriptures (Jn 5:39). They would not receive Him who came in the Father's name, but will receive one who comes in his own name (Jn 5:41-43). Israel will accept the man of lawlessness. They will accept this false Messiah, this one who comes in his own name, and make him king.

YAHSHUA is that rock that was rejected (Mt 21:42); He is that stone. Whoever falls on that stone will be broken, their exterior will be softened and something will go into them, will penetrate their outer shell. They will hear the Word and they will be saved. But on whomever this stone falls, it will scatter him like dust. Our Master got this from Dan 2:44. It will crush it like powder — all the governments of the world will be destroyed (Dan 2:35). "Therefore the kingdom of God will be taken away from you and given to a nation who produces the fruit of it" (Mt 21:43,44).

1 Pet 2:4-10 — "Behold, I lay in Zion a choice stone, a PRECIOUS corner stone, and he who believes in Him shall not be disappointed." To believe is to trust your life to. It is not merely intellectually believing, for many will fall away when it comes down to TRUST. Believing unto eternal life means TRUSTING. Those who trust in Him will never be put to shame (verse 6). Those who believe that that stone is precious trust in, adhere to, cling to, rely upon, lean on, have absolute trust and confidence in YAHSHUA. To one who believes in this way, that stone is precious. To those who only believe intellectually, the rock will make them fall, stumble someday. The rock is going to make people tremble because they do not want the degree of righteousness that it will exhibit. They do not really want to be DONE with sin. The Word says "blessed is he who does not stumble on account of Me." He will bring things into our lives to see whether we really believe and trust in Him, or if we do not really believe. Some stumble because they do not really believe — they were *destined* for this (1 Pet 2:8), but you are a chosen race, royal priesthood, a holy nation, the people of God who have received mercy (verses 9-10).

Ps 118:22-23 — "The stone which the builders rejected has become the chief corner stone. This is the Sovereign's doing; it is marvelous in our eyes."

Our Master knew that they were going to reject Him and that old Israel would be rejected and a new Israel would come forth (Mt 21:43), the kingdom being given to a nation producing the fruit of it. The fruit of that kingdom is love. [Love fulfills everything, but most people do not know what love is for they are misunderstanding the word *love*.] The fruits of the Spirit (of that kingdom) are: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self control (Gal 5:22). It is against common reasoning for the eastern (Greek Orthodox) and western (Roman Catholic) church to think that they were still under one head (Messiah), since their divided condition is not the fruit of the kingdom. Israel, too, was divided into a north and south kingdom. Thus, "The kingdom of God is taken away from you and given to a nation producing the fruit of it" — unity so perfect that it expresses the same oneness of the Godhead (John 17:23) in Bodily form.

In the statue in Nebuchadnezzar's dream, there is diminishing value of the metals. From gold to silver to bronze to iron, each less and less in value until the value is gone down to clay. This represents the decreasing authority, power, splendor, grandeur of those kingdoms. It says in Dan 2:39 "another kingdom inferior to yours," meaning that the rulers of the successive empires would have lesser degrees of absolute power. No one was a greater, more absolute monarch than Nebuchadnezzar. He had absolute authority. He did not have to check with any other nation or person to do whatever he wanted. All were under his rule. But it was not that way in Medo-Persia. The Persian king was bound by other things and the rulers of the successive empires had more and more democratic systems of checks and balances (Alexander the Great in Greece). Rome had the checks and balances of a senate and assembly where Caesar was checked.

The metals also symbolized a growing degree of toughness of an empire. The harder metal decreased in value, but was tougher and more enduring, with each successive empire lasting longer than the one before it. The last and final kingdom will be YAHSHUA's kingdom which will be held together by love. His body, His bride, His authority will be extended over the whole face of the earth in the next age, AND that kingdom will extend its authority to all planets forever and ever. The increase of His government will have NO END, filling all things in the whole universe (Eph 3:21; 4:10). The kings of those nations, judged by how they have lived by their consciences, will rule those nations (Rev 21:24; Eph 1:9-10).

During the lifetime of those ten kings, His name will be great among the nations. (Mal 1:5,11,14). You will see with your own eyes and say great is YHWH, "the Lord be magnified beyond the border of Israel." In every place, pure offerings will be offered to God because His name will be GREAT IN THIS AGE. Right now His name is mud in the nations; He doesn't have a good reputation; they do not know of His might, power and splendor. But His name is to be FEARED among the nations (verse 14).

You will AGAIN see the difference between the righteous and the wicked, between those who serve Him and those who pretend to serve Him (Mal 3:18). "In the day when I make up my treasured possession" (Mal 3:16-17). The Amplified Bible, in verse 17, says "and they shall be mine says the Lord of hosts, in that day when I publicly recognize and openly declare them to be mine..."

This is just an introduction to understanding Daniel. The book of Daniel is difficult to understand because the book is closed, sealed until the last days (Dan 12:4).

Our whole purpose for living in this age is to provide a light for the nations, the light which is of the life of love, in order to bring salvation. For a person cannot be saved except through light. Their soul has to be flooded with light in order to be saved. We cannot JUST establish the twelve tribes — it is too small a thing. To BE A LIGHT is the hard thing (Isa 49:6). But, we cannot be a light without the twelve tribes. YAHSHUA has to radiate through us and shine like the brightness of the sun in full day. In THAT light, the nations will see to be saved (Isa 42:6).

That demonstration of the Body in the last days is going to be marvelous in our eyes. The light will be so bright, it will judge the world. It will test the genuineness of your profession.

ha-emeq: It is a precise, exact job of hewing this stone. Our Father is not smashing it out, but He is really precise. In just the same way that David went to the stream and got the RIGHT rock to use to smash Goliath. He did not just grab any rock, but he chose it carefully. Our Father is really careful to make it just the right stone that is going to CRUSH the other kingdoms.

Ben Nabiy: shared that he was thankful that love is what will hold this kingdom together. It will crush kingdoms and the earth will return to its rightful owner. All other kingdoms will be crushed and not even remembered and He will be King of kings and Sovereign of sovereigns. I am looking forward to this.

Emiko: Sometimes what I do, I do not do with my heart. This really touched me that everything I do, I want to do with my heart.
