Surely you Know!

Pr 30:4 — This is a question — Do you know the answer? Surely you know! (*Asked Amaz*) Who wrote this Proverb? *Amaz* — “Agur wrote it.” How did he know who ascended or descended? Who did? What’s His name? His name is *Yah* and His son’s name is *Shua*. “*Surely you know.*” Isn’t that wonderful. Read it again and ask the question. “*Who has gathered the wind in His fist? Who has established all the ends of the earth?*” If you want to know, how would you ask the question? “*Abba, who has established all the ends of the earth?*” I wonder why it says, “*Surely you know.*” Who is he asking a question of in verse 1? In verse 2? He’s too stupid to be human — he doesn’t have human understanding (verse 3). Nor have I knowledge of the holy one (verse 4). I wonder why it says it like that? In that sense it means Yahweh, the Creator.

For example: In the restaurant in Nova Scotia, I had Gidon to build it. Our Father is the Creator, but who did He use to create? Understand? He created all things, but at the direction of the Father — together in coordination. He wasn’t independent. At the restaurant, I would just tell Gidon what to do and he took it on. If it wasn’t right, I would tear it down and he would do it again. We know what the mind is — Gidon took it on.

That’s why it took Noah 100 years to build the ark — because he was doing it for a Spirit, who was God. How does verse 5 read? “*Every word of God is tested.*” What does that mean? Every word of God proves true. Verse 4 is really wonderful. You can really explain what God’s name really is — *Yah* plus His Son’s name *Shua* — *Yahshua*. He came in His Father’s name — John 5:43. John 17:11,12 — We come in our Father’s name — we are sons of the covenant. If you have a son, he is in the covenant because you are in the covenant. We are begetting sons and daughters who are in the covenant. They are chosen — they will grow up to follow our Master. They are not going to fail either.

*I’ve come in my Father’s name.* 2,000 years ago Yahshua came in His Father’s name and the Jews didn’t accept Him. 2,000 years later the antichrist will come in his own name and the Jews will accept him as their Messiah. Every word of God will prove true — it’s a prophecy. I

can go to Israel and prophesy that someone will come in his own name and the Jews will accept him — and I'll be called a prophet because it will come true. John 17:11-12 — *“Keep them in Your name, the name You've given Me.”* Understand? 90% understand and 10% don't — they will keep the Body back. *(A brother said he doesn't understand.)*

I'm glad you said that. Who is the Father? Who is Yahweh's Son? Yahshua. Therefore we are kept and protected in Yahshua's name. If we use Yahshua's name we will be kept in Messiah. It is the greatest name — the most powerful name, the name that has all power in heaven and on earth, but we have to use it! We can use His name to cast out spirits — to be free from the spirit of anxiety and fear (Satan's calling card). If he can make you fear, he's got you. We cast out fear in Yahshua's name. Fear and faith are contradictory (mutually antagonistic) — fear casts out faith. We pray to be delivered. We are in our Father's hands if we use His name. *“In His name”* means in His authority.

Our name means who we are — (we need to either change our name or change our behavior to match our name). We are who we are. I wonder if our Master knew what His name meant? Do you know what your name means? Children — Ask your Abba — What does my name mean? What is my purpose? My ministry? Why was I born? It is so important to know who we are .

Let's give a sacrifice of praise. What keeps you from giving doing this — the spirit or the flesh? Don't let the flesh hold back the spirit.
