

To Robert Chambers from Elbert

Robert Chambers,

Are you an intruder in the Body of Christ, or have you been brought in by the power of the Holy Spirit. How can you know for sure? How does one, take the kingdom? By storm? Violent men? By being vehement, passionate, exhibiting intense fervor-acting with great force or the exertion of great force-furious? How does one enter the Body? By the Holy Spirit. He does it, when we believe in our heart and confess with our mouth. Our confession is, Yeshua is Ruler and king over all and we believe in our heart that God raised Him from the dead - this is Salvation. This is our only work. "He who hears my word and believes Him who sent Me has eternal life." The work of God is that we believe. To do the work of God is to believe in Him whom He sent. This is above all the things which God requires. We cannot ever attempt anything unless we first believe. This is what we must do in order to carry out the things that God requires.

The Holy Spirit makes no mistake and brings only these into the Body who do the work of God excluding all those who "claim to believe." This is the Holy Spirit's work He has been sent to make sure that all those who believe are put into Christ's Body and to make sure that those who do not believe, but say they believe, are left outside. Phillip said, You can be baptized if you believe with all your heart and the eunuch's confession was "I believe that Yeshua Messiah is the Son of God!" This was his baptismal confession if the Eunuch had not believed it the Holy Spirit would have never baptized him. Phillip may have baptized him but not the Spirit.

The Spirit of God was ministered by Phillip to the Eunuch and He was ready to enter into him at his confession of his mouth, the conviction of his heart. Romans 10:9,8, 10 The Holy Spirit would not be fooled, for this is the job He was sent for to make certain of his confession.

The Spirit came to convict man of unbelief. It is the specific purpose of the Spirit to convict man of unbelief and when He has found someone who has believed the message preached to him He brings him into Himself, into His very own person of the Messiah, under His anointing. The Spirit is in the Body and convicting through the Body through the compassionate gifts expressed by (through) the Church, through those sent ones, like the Son was sent. "How can anyone preach unless they are sent." The Son was sent and it is only through those who are now sent that life can possibly be communicated. Yeshua said "My words are spirit and life." but there are some of you who do not believe. For Yeshua knew from the beginning who they were who did not believe and who it was who would betray Him." For this reason I have said to you no one can (entrude) or come to me unless it has been granted him from the Father. As a result of this many of His disciples withdrew and were not walking with Him anymore. The Holy Spirit knows - make no mistake of that. This is the firm foundation of God and it stands (having this seal), the Lord knows those who are His and let every one who names the name of the Lord abstain from lawlessness, wickedness.

Matthew 24:9-13 speaks of a time when all this will be fulfilled in which we speak.

Then there shall be two men working in the garden, one will be taken and one will be left. Two women will be working in the bakery, grinding at the mill, one will be taken and one

will be left. There will be two in one bed at night, one will be taken and the other left. "Whoever seeks to gain his life will lose it but who ever loses his life, for my sake will preserve it." "Remember Lot's wife!"

Who is the intruder who forces his way into the church speaking scripture verses, etc. "Friend, how did you get in here without a wedding garment?" And he, for the first time, was speechless. The first time in his whole life. Then the king said to the attendants, "Bind him head and foot and cast him into outer darkness. There will be weeping and gnashing of teeth. For many are called, but few are chosen." This man who learned Christ outside the Body and brought "this Christ" into the wedding banquet (or the Body), stood speechless for he realized (or had to admit) for the first time that he was an intruder. He had the wrong wedding clothes on.

But whoever is baptized into Yeshua the Messiah is clothed with Yeshua the Messiah. But this man had been clothed also, but with a false cloak of a false confession, a false front (real to him but nevertheless false) and a "phony Jesus." It is "another Jesus" whom we did not proclaim, a different spirit and a different gospel.

"Wherever the corpse is, there the vultures will gather." But how did the vultures get in here? One of the watchmen on the wall was asleep, or was talked into letting him in "over the wall" - for remember, he was a fast talker and the false shepherd of their souls felt sorrow for him. Both had their sheep's clothing on that night, but were really ravenous wolves - for look at how many they effected and destroyed. "And at that time many will fall away and betray on another and hate one another. Brother will deliver up brother to death and father his child and children will rise up against parents and cause them to be put to death."

How did it happen that our children were raised up to betray us, after all our discipline? There will be only one reason. We were not diligent to discipline them. We disciplined, but we failed to be diligent. There was a spirit within us that hated our child. This spirit was never exposed. We were a "habitation of demons." "She has become a dwelling place of demons and a prison of every unclean spirit. Where this spirit or "these spirits" are not exposed and judged, they will live on comfortably undisturbed, commanding our obedience - cloaked in pretense, pretending we were not "sparing the rod." The rod of deliverance was spared by us because of this spirit secretly dwelling in us. We harbored this spirit and protected it. It became our friend. It was shielded by pretense. We did not heed the words of the prophets to cast out, to cast off, to cast aside, to cast up, and to cast down everything that is raised up against the knowledge of God.

Oh Lord, my Father, deliver me from evil of every sort and form! Oh Lord, is it I? Do I have a spirit lodged in me that will rise up in the hour of supreme demand and betray my own family? Am I betraying my child now? Will he because of this betrayal, betray me someday and have me put to death? Proverbs 19:18 Am I passing the death sentence on him by sparing the rod? Has this spirit in me, which I formerly pampered, grown into a dragon? Behind me, Satan. You are a stumbling block to me. Peter did not know what kind of spirit he had in him. Do we know? It's not "Can you have a demon, but can a demon have you." The doctrine that says "A Christian cannot have a demon" puts you to sleep. When you see this, that this is

when the kingdom is "suffering violence" or opposition against it coming to earth to Island Pond today.

You become the violent men who take the kingdom by force for when we see these things we must take action, violent action, and take the kingdom. Then you will be no intruder - for this is the only way the kingdom can possibly be entered. Take heed to what you hear! It will take all of your gumption and strength. Do not give your gumption and strength to any other spirit but the Holy Spirit, the Holy One of God's anointed. "I can do all things through He who strengthens me."

The work of God is that we believe and so He labors by the Spirit. The Son of Man has finished His work - our work is to believe, the Holy Spirit's work is to make sure we do. The Spirit gathers all who believe into one man who will act with one impulse. He was sent for this work.

At present, I am sitting here writing and a fly has been pestering me, landing on my neck and my face - I took action. I did not become passive but I took a stiff shoe brush and pierced it through with many bristles. It is dead! I took dominion over the fly. Praise the Lord. We don't have to let flies eat on us or even land on us. We must have gumption from (in the ) the Lord. I didn't really care how much it hurt me when I pierced that fly. It didn't matter. I was after that fly with sober, single-minded devotion to that one thing...you won't be able to take any flies with you into the kingdom. They are not allowed. And they won't be brushed off you at the gate either - they will prohibit your entry also. The time is now to take action! There will be no intruders in the kingdom, but we do take it by force (holy gumption).

Love, Elbert

P.S. I can hear my beloved sister Val on a tape down stairs singing "if we endure until the end." Kiss her for me. She ministers to us here with her gracious gift and love and compassion. She is one whom God has had mercy on, and has been forgiven much, so she lavishes her precious substance upon the Body of the Lord. She loves much.

My dear brother Robert,

You are a faithful and much loved brother. Greet everyone at the Arbor, and if you have already moved to the Spring House, greet them also, and your wife Cathy and Solomon your son. Bring Solomon up in the fear of the Lord and you will have done a good thing, not only for him but for your sake as well and for the church of the Living God, the pillar, support of the Truth. AMEN.

Salute Henry, a fearless warrior. We find out what foundation we're on when we hear the word and it goes against our reasoning. Like Abraham offering Isaac.
