

## **The Truth of the Gospel**

Billy Graham says that the truth of the gospel cannot be proved, as do scientists and liberal theologians. And it is true that the Christian religion cannot be proven, nor can it be proven that there is a God. But who could ever say that there is no Creator? This is natural law (Ps 14:1 and Ps 19).

But for the gospel the only proof is in the pudding. Jn 13:35, Jn 17:23, and Isa 49:6 are the only proof of Mal 3:18. Mal 4:6 will be the authentication of the truth when Mal 3:1 is fulfilled (Acts 3:21). The proof will only come when Jn 13:35 and Jn 17:23 are reality. Then Isa 52:15 will be fulfilled!
