Worth

The gospel is the glory that reveals our Master's worth. If our Father is adding to our number it is obvious He is pleased with us. The Good News attracts people to Messiah, revealing the glory of Messiah. Paul spoke of this in 2 Cor 4 & 5.

Faith comes by hearing the good news. We all have glory to various degrees. We have to renounce the hidden things before glory comes forth. 2 Cor 4:2. We renounce whatever it is that keeps the glory from coming forth, glory radiating from us. When you are falling in love with Yahshua His glory can't help from radiating from you. We all have certain amounts of glory radiating from us. With this glory submission results. As glory comes forth it is not hard to submit. Eph 5:21; John 17:22

2 Cor 4 & 5. We must renounce the hidden things. Glory is seeing the worth of your brothers and sisters. Do you see your brothers and sisters worth?

2 Cor 5:8,9. Absent from the body, present with our Master. If you die there would be no lapse in time with Him because everything we do is pleasing to Him. If we are abiding in the vine we are well pleasing to Him. If we are well pleasing to Him there is no death, no separation. Paul had nothing to hold him back from that, he was well pleasing. When you are well pleasing then you can have confidence, and nothings holds us back. We have a clean conscience.

The good news reveals our Master's glory, His worth. It is not hard to give your life to someone who has glory. 2 Cor 4:4 The god of this age is blinding the eyes of those who are perishing. It is a great responsibility we have to proclaim the excellencies of the one who called us out of darkness into His marvelous light. We don't do this just with our mouth but with our lives. 1 Pet 2:9. We do this as a witness. Matthew 24:14.

Repentance means there is nothing holding us back from the revelation of Messiah. Look at one another when we sing, we find our Master in one another.
